

ATLANTIC FISHERMAN

ELMER MONTGOMERY

PENOBSCOT MARINE MUSEUM

2 NEW ART EXHIBITS AT THE HUTCHINSON CENTER

Now displaying until April 30th in our Walsh Wing - Fernald Art Gallery with two slideshow presentations scheduled for February 22nd and April 25th from 6:30-8:30pm.

- The "Atlantic Fisherman", a paper for fishermen established in Boston in 1919, provides an unmatched look at the fishing industry. Known as a journal for the "Harvesters of the Sea".
- Elmer Montgomery Collection provides a sampling of some 730 photos he had taken between 1936 to 1946 emphasizing his passion for local waterfront scenes.
